

REAL ESTATE MARKET

The F. B. Cate Agency was never so well prepared to offer such bargains in farms as at the present time. Below is a list of a few of our best ones.

This one has about 150 acres and is only 14 miles from this city. The farm will cut between 80 and 90 tons of hay this season, can be put into the barn with little expense. There is a nice sugar place equipped with 700 tin tubs and every thing of the best for making nice sugar. The buildings are of the latest city improvements, such as hard wood finish, fire place, bath room, hot water connections, telephone, etc. The main part of the house is brick. The barns are large and convenient. The buildings could not be erected at the present time for nearly the price asked for the farm which is \$8,500. You have to take this quick if you want this year's hay crop.

This farm has recently been placed with us for sale. 300 acres right in the heart of a thriving village on the shore of a large body of water where there are a large number of summer cottages. Depot is just across the road from the buildings. The farm will summer and winter about 100 cows and teams to carry on the place. There is one large barn built about 5 years ago at a cost of \$3,200; there are other barns in good repair, also a nice new house. There has been \$10,000 paid out on buildings and improving the farm. The owner is in very poor health and unable to care for so large a place and must sell. Price for a quick sale is only \$7,500, part cash.

Two farms in Bradford, Vt., 2 miles from the village. One contains 130 acres and cuts 60 tons of hay, with good buildings, barn 100 feet in length. The other farm contains 85 acres and will cut 40 tons of hay, large barn and fair house. Will sell separate or will trade for good renting property in city.

We have cheaper farms well located, some we will trade for other property. Please call at our office for a more definite description of the above farms and others.

We have a Granite Plant for a gang of men that we would like to tell you about. Our office is open evenings. Telephone connection.

PARK STREET.—Seven-room modern cottage, built only about three years ago by the owner for a home. Rooms are of good size and are finished in natural wood. Eight-foot porch across front and fine lawn well graded, with plenty of shrubbery. There is a good barn with affords room for a horse and chance to keep poultry. Lot is very large, being about 91 by 13 feet. Spring water, no water rent to pay. Price, only \$2200.00. This will give you a home of the property you will find here. Will be glad to tell you more about it and others.

STATE LINES.

Copper mines in Michigan increased in number from less than 7,000 in 1893 to more than 14,000 in 1903.

Eleven cities and towns in Maine intend to celebrate this summer their one hundredth and fiftieth anniversary. Most of them will do so in Old Home week, Aug. 14 to 20.

Missouri produces annually more than 100,000 gallons of wine and more than 10,000,000 pounds of grapes. These figures apply to the products which are shipped out, as no record can be kept of the large amount of both grapes and wine that are produced for home use.
